Tegeleme **CNC treimise, CNC freesimise ja koostamise,**  
ning **hüdraulikas kasutatavate koostude tootmisega.**

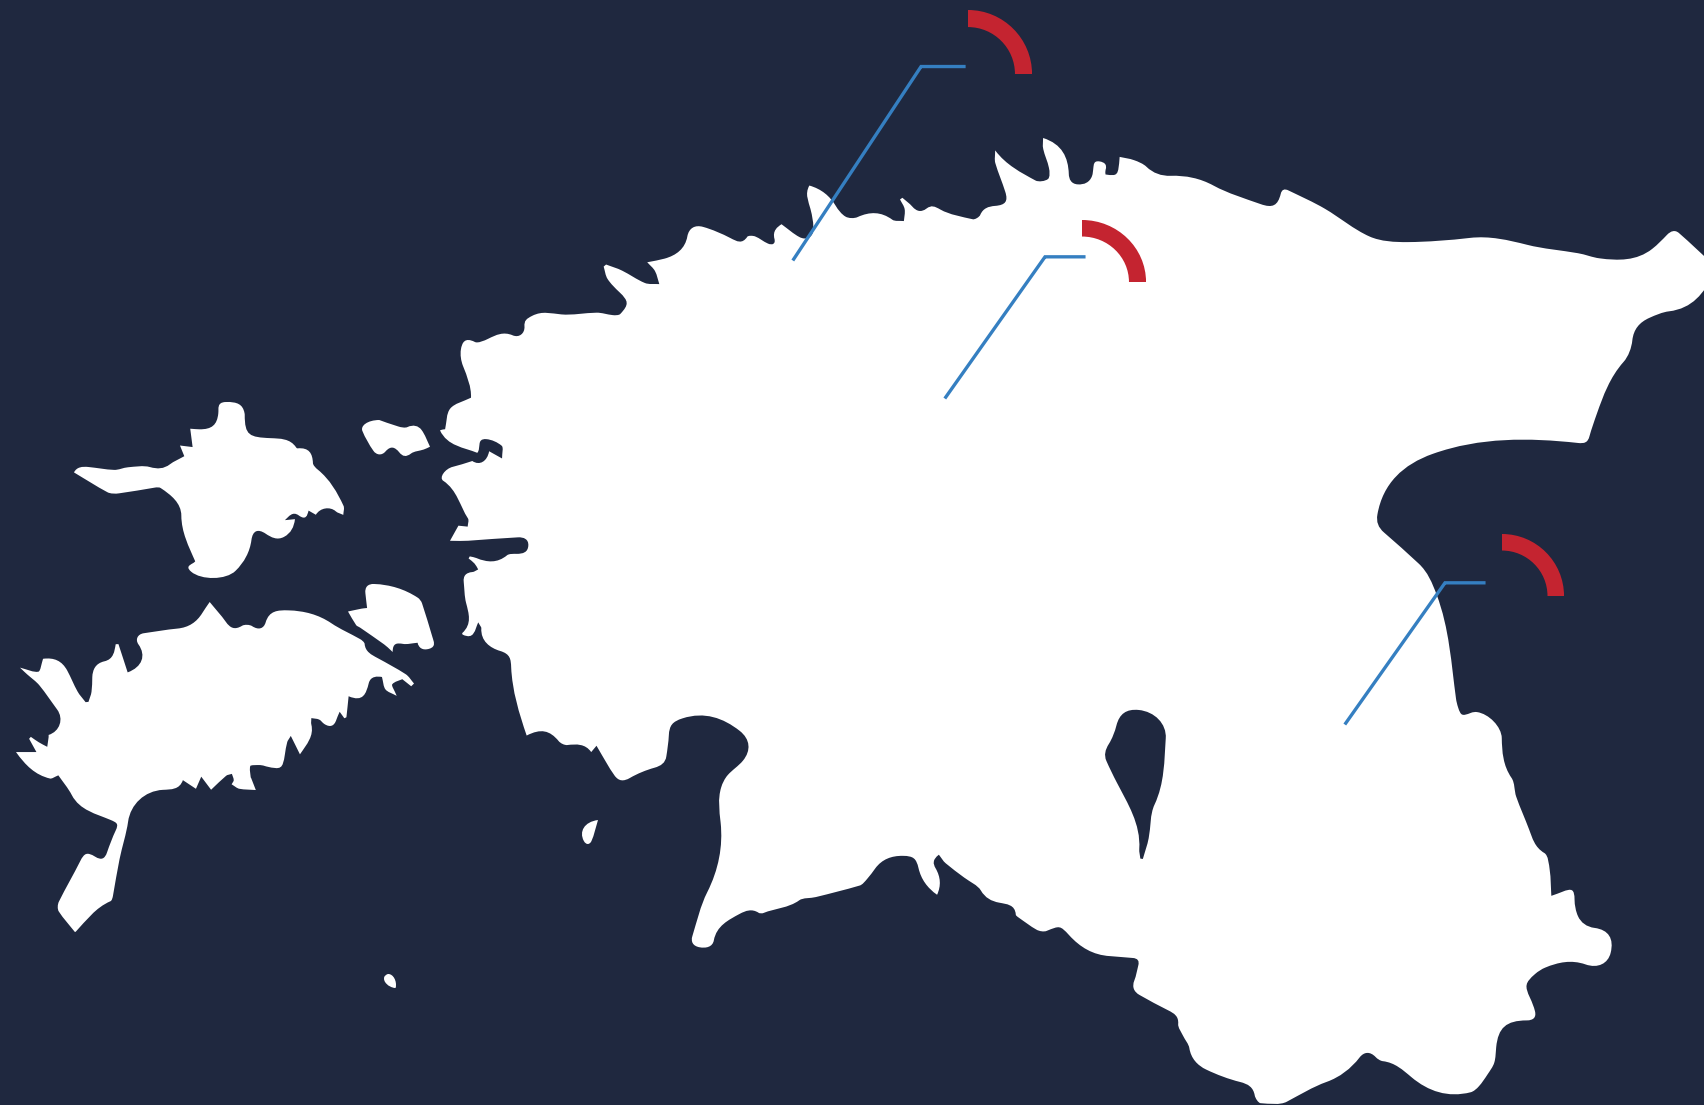

Meie kaasaegne seadmepark koosneb **29 CNC töötlemiskeskusest.**

Teenindame kliente **masinaehitusest** kuni (AI) **andmekeskustest - kosmosetööstuseni.**

Toodame aastas enam kui **3 miljonit CNC-töödeldud komponenti** ja  
tarneime need rohkem kui **200 rahvusvahelisele kliendile.**

# Asukohad

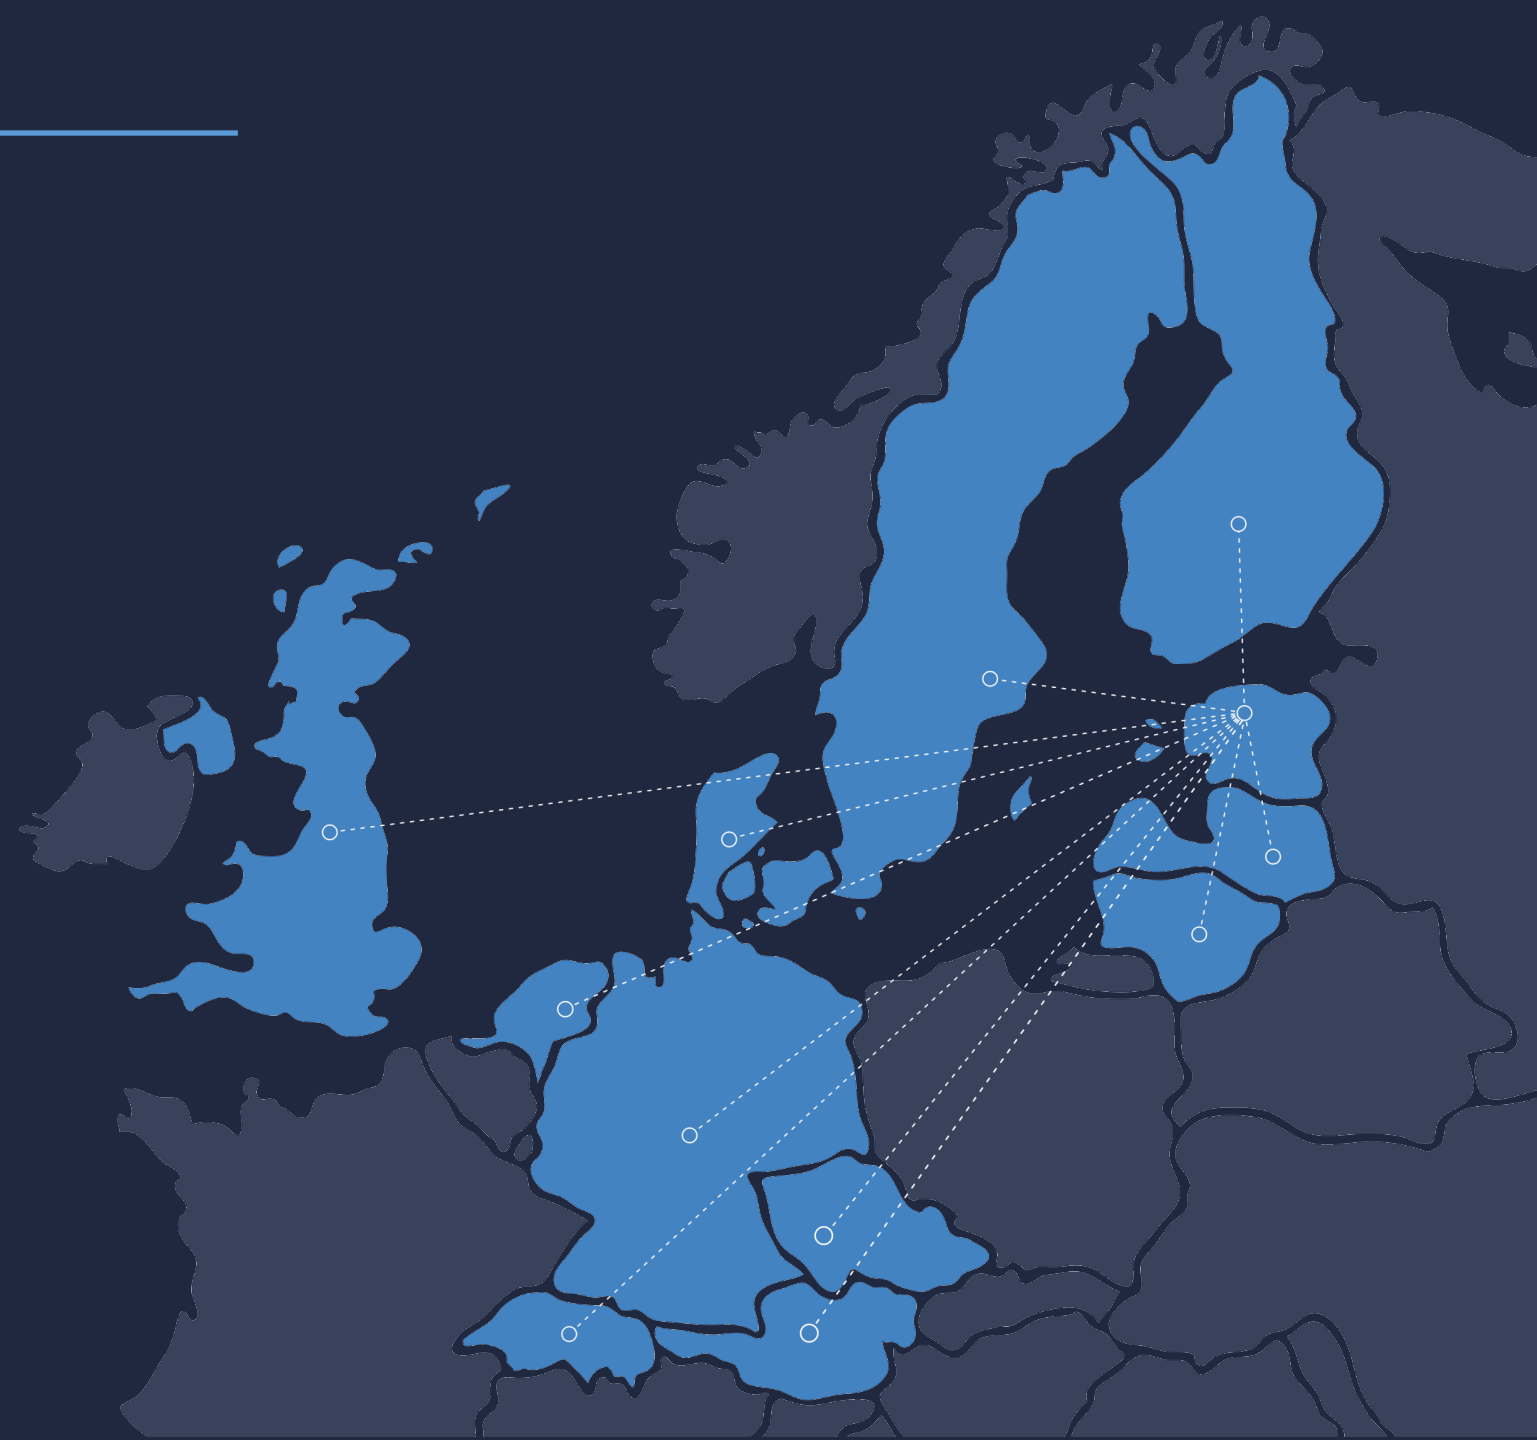

- Tehased:
- Tallinn
- Tartu
- Kose

# Meie kliendid

- Skandinaavias
- Kesk-Euroopas

# Engineering and technical education

- Job shadowing days for school students
- Internships and practical training
- Radius Machining scholarships
- Project support for student engineering competitions
- Partnership with universities and vocational institutions
- Participation in national science and career events
- Encouraging internal development
